

Winteroffer for Skitourers 2025

3, 4 od. 7 nights – (06.01. – 20.04.2025)

Ski tours are a special experience in East Tyrol, especially the Deferegggen valley offers many possibilities in safe snow conditions. Lonely peaks for beginners and challenging ascents with unique descents await you. What counts is nature, the moment and being in the "now". The Deferegggen Deferegggen valley is rightly described as an Eldorado for ski tourers.

Directly from our hotel you can set off into the beautiful winter landscape of the rear Deferegggen valley or from the Staller Sattel (1960 m), 10 km away, an insider tip. Particularly recommended among the numerous and almost countless ski tours in St. Jakob are the Langschneid, the Innerrodelkunke or the Rote Wand.

We are happy to arrange local mountain and ski tour guides for perfect ski tours.
